

Hiring additional massage therapist

Little or no experience? No problem we'll help train you on injury work and get you on the insurance panels if you are not already on them.

We are looking for a **LMP** to join our practice. If you want to join a team of dynamic providers who are passionate about helping people reach their optimal health you've found the right place to work. *Part time* and *full time* positions are being accepted. Full time benefits include health insurance, 401k, paid time off, CE credits, attendee company trip & company Christmas party.

We care about our employees the way we care about our patients. So if you are interested in a great place to work that cares about you, please call **425.827.2225** or email us at **info@dynamicchiros.com**
