

# Licensed Massage Therapist Wanted

Busy clinic with locations in downtown Kent and newly opened in Covington. Evening and weekend availability preferred, insurance credentialing preferred, but not required. We will consider a newly licensed therapist as well as those with experience. Our clinic is heavily focused on rehabilitation from injury and has a strong referral network with local doctors. This is an employee position with competitive pay (\$28+/hr start), paid CE's, liability insurance, all supplies, scheduling and reception provided, you control your schedule. We are looking for a team player to grow with our clinics, someone responsible who can manage themselves, who has excellent massage skills and who is willing to build regular clientele.
