

UP & RUNNING MASSAGE THERAPY

Up & Running Massage Therapy is hiring!

We are a collaborative of Massage Therapists, Naturopath and Chiropractors working out of Olympic Chiropractic and Spine Fitness in Laurelhurst neighborhood of Seattle.

We are in desperate need of a confident, injury treatment skilled therapist. Patients are being turned away daily.

If you have goals of ultimately having your own practice please contact me. There will be plenty of opportunities to learn business, insurance billing and client relations.

Please consider joining our fun and interactive practice!

Prospective applicants should have the following:

Thorough and strong SOAP charting skills

Reliable and dependable work ethic

Ability to perform up to **15-20** hours of present, focused massage a week

Confidence performing detailed patient intake

WA state massage licensed

Schedule to start:

Flexible hours during the week and weekend

5 session shifts

Compensation:

\$30 a massage session to start as an employee

\$32+ after a 3 month trial period

More if already credentialed with Regence/Uniform

**Please send resume with references and cover letter to
